Baptismal Preparation and  
Family Faith Formation

# SPRINGS OF *faith*<sup>TM</sup>

## Building Faith and Family in the Parish

*Springs of Faith* is a three-phase program for young adults, baptismal preparation, and young Catholic families on the journey to faith and life in the Church. *Springs of Faith* builds upon the Catholic themes of **community**, **welcoming**, and **faith** and helps parishes welcome young adults and families who long for a faith community and may be considering having their children baptized in the Catholic Church.

*Springs of Faith* is designed to meet each person and family where they are in their journey. The program's components provide the tools and methods to guide participants through all phases of Baptism. The *Springs of Faith* approach to faith topics conveys to participants that each of them are welcomed and accepted by God. For many, this will be the beginning of lifelong discipleship. The program is comprised of three phases: Discover, Encounter, and Share. Learn more about each phase on the next page.

*\*All references to/citations of the rite of Baptism in the Springs of Faith program are taken from the Order of Baptism of Children, Second Edition (2020), approved by the USCCB and confirmed by the Apostolic See.*

## Discover. Encounter. Share.

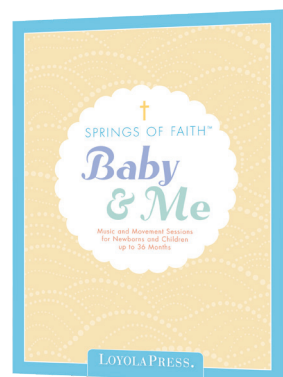

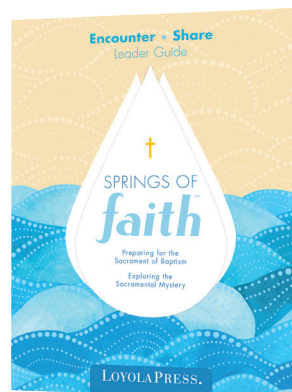

Each phase of *Springs of Faith* meets participants where they are on their faith journey and welcomes them into parish life. Because our Catholic faith is both personal and communal, participants are encouraged to reflect and engage with each other as they lay down roots in their new community of faith.

**Discover** The Discover phase of *Springs of Faith* supports parishes in serving young adults and couples in search of faith, renewal, and belonging. It provides parishes with strategies to welcome them into an authentic faith community. Four sessions focus on the themes of **faith, belonging, family, and discipleship** while encouraging exploration and discussion without judgement. Participants gather together to discuss their beliefs and how the Catholic Church can support them and enrich their lives no matter where they are on their faith journey. By creating a space for young people, the Discover phase helps parishes find ways to welcome a new generation into their parish.

**Encounter** In the Encounter phase of *Springs of Faith*, parents prepare spiritually for the upcoming baptism of their child. The two Encounter sessions walk parents through the Rite of Baptism and provide a deeper understanding of each part of the rite. Each helps parents and families deepen their understanding of the sacraments as they prepare to encounter Christ in the Sacrament of Baptism and begin their child's faith formation.

**Share** The Share phase of *Springs of Faith* focuses on the importance of community and bringing the parish together. Family Gathering sessions help support parents and children as they begin a new stage of their life.

*Baby & Me* sessions continue to bring together young parents and their children with 24 music and movement sessions for children up to 36 months. These sessions are designed to help parents bond with their children, nurture their children's faith, socialize with other parents in the parish, and become more involved in the parish community.
