This year we are anticipating a large number of camp attendees from multiple dioceses. In order to provide a positive experience for the boys, we are in need of fathers or other adult males to volunteer as Chaperones. No experience necessary! All you need is a desire to spend time with a great group of kids at a beautiful facility in a unique environment that is part camp and part retreat. If you are able to serve as a chaperone, please provide your name and telephone number below and you will be contacted.
