*“We want to create  
hope for the person ...  
we must give hope,  
always hope.”*

— Blessed Mother Teresa of Calcutta

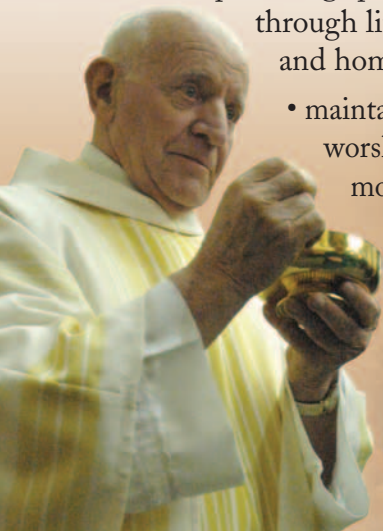

*We witness Christ's hope and compassion in our daily lives. Our mission as a community of faith flows from the risen Christ's hope and is nourished through prayer, good work and presence.*

When we truly place our confidence in Christ our hope, we become the faithful who proclaim the Gospel of Christ, celebrate the sacraments and exercise the ministry of charity.

It is in this spirit that you are invited to share your God-given gifts by:

- enhancing our parish community and its ministry opportunities
  - providing spiritual nourishment through liturgical offerings and homilies
  - maintaining our place of worship and meeting our monthly responsibilities.

You also are invited to share your blessings with the broader archdiocesan community by:

- fostering Catholic education and faith formation
- providing education for our seminarians and deacons and retirement benefits for our priests
- offering a helping hand to people who are most in need.

Together, we can build a more compassionate parish and archdiocesan community by creating hope for people through our faith in Christ our Lord.
