

DIVORCE AND BEYOND... A SPECIAL PROGRAM FOR MEN AND WOMEN IN THE "MOURNING STATE" OF DIVORCE

Divorce is a difficult process, but many persons have moved beyond the cycle of anger and grief to discover "new life". A commitment to this six-week program will help you begin the healing process.

In a "DIVORCE AND BEYOND" support group, you will experience hope and healing simply through listening and sharing insights with others on topics such as:

- **The process of divorce**
 - **Self-image**
 - **Stress**
 - **Anger**
 - **Blame and guilt**
 - **Loneliness**
 - **Pathways to growth**

Sharing such concerns will bring comfort and support and the experience of others can provide wisdom for your own journey.

" Man is essentially lonely, and from this isolation he cannot be saved by someone else, but only by himself through the fact that he loves. This opening up of ourselves is the great liberating function of love."

O. Schwarz
