The primary purpose of a silent directed retreat is to foster an atmosphere in which retreatants may be led to a personal encounter with God. In meeting with a spiritual director once a day and through the use of scripture and their own story, retreatants are offered the opportunity to deepen their relationship with God and grow in an awareness of the Holy Spirit working in their life.

For more information or explanation of a silent directed retreat, please feel free to call our Associate Director of Spirituality Ministries, Mary Schaffner at 317 545-7681 ext 102
