Mary listens to, ponders, challenges and loves her son in countless expressions. Each of their interactions is a form of prayer. Come to Fatima and spend the day with Mary and Jesus.

Renew your awareness of what Mary teaches us by her example. Refresh your own prayer life by taking time away from your routine. Pause for a few hours and draw in God's grace that will sustain you in your daily living. Join Fr. Jim as he uncovers some of the ways that Mary can remind us of the essential elements of praying.

This annual day of prayer will include, presentations by Fr. Jim Farrell, evening prayer and a light dinner
