**Our Lady of Fatima Retreat House
5353 East 56th Street
Indianapolis, IN 46226**

The **Office of Pro-Life and Family Life** and **Our Lady of Fatima Retreat House** are pleased to offer an evening for those working through **infertility** to come together with others who are or have been in this same struggle. Infertility is a difficult **journey**, and often an isolating experience that many find hard to understand. We want you to join us to learn about **available resources** within the Catholic community, hear others **share** their experiences, **pray together**, and receive **support**.

Infertility is complex. Each experience is different. Each experience has elements of grief, loss, confusion, sadness, isolation, marital stress, and heartache. With one evening, we cannot address the entire spectrum of infertility. Here is what we do hope to offer each of you:

- A place to be with **God**.
- **Resources** within our local Catholic community, including treatment options, supportive ministries, adoption information, and blogs related to infertility.
- Prayerful consideration of where your infertility journey is taking you – infertility treatment (including NaProTECHNOLOGY), choosing to adopt, and choosing to live as **spiritual** parents.
- Although no two experiences are the same, **validation** and **support** from those who share the experience of infertility.
- **Compassion** and **connection**.
- Dinner AND Dessert. 😊
