Contact: Call Steve Cunningham, Camp Director at 765-646-8779. Two day camp usually held in August for grieving children in Madison County (all children needing help are accepted). **Camp Hope is free to children ages 5 to 17 who have experienced the death of a loved one.** Saint John's sponsors the camp with support from the Saint John's Foundation. Camp Kikthawenund is located northwest of Anderson. While the camp is geared toward helping kids get in touch with their feelings and cope with loss, campers have a lot of fun. There's a swimming pool, nature hikes, horseback riding, games and other fun activities. There isn't a stipulation on who the loved one is, who passed away or when it happened.
