Abortion has touched the lives of so many people. Has abortion changed your life?

Through the weekend Rachel's Vineyard Retreats, you will be immersed in a spiritual experience. The retreat addresses the spiritual wounds of abortion that run deep in women and men. Participants experience their sadness and grief in the company of others who share their pain. The retreat focuses on God's unconditional love and forgiveness in a confidential and safe environment.

There is light at the end of the tunnel for those who grieve their losses after abortion.

**Don't be afraid to begin the healing process.
You have nothing to lose and everything to gain!**
