

Catholic Schools Connect!

Catholic schools in the Archdiocese of Indianapolis have successfully educated hundreds of thousands of students. For years our schools have held their doors open to children of all backgrounds. The Alliance of Catholic Education (ACE) Fellowship in Indianapolis exists to strengthen and sustain these schools.

We are dedicated to raising awareness of and providing service for our city's Catholic schools. Your help will ensure that the legacy of a Catholic school education will continue to benefit all children of Indianapolis.

Join us for one or more of four Saturday mornings of fellowship, prayer, and hands-on service to St. Roch, St. Gabriel, St. Joan of Arc, and Little Flower Catholic schools.

The call is going out to our parishes and high schools: together we are building a movement in service to Catholic schools!

For more information, contact Gary Asher at gasher@stphilipindy.org.
