

REFLECTIONS

Now More Than Ever

Fr. Jim Farrell, Director

“Be still and know that I am God”. This familiar phrase from Psalm 46:10 is God’s clue about how we are to pray. It is both a suggestion and an invitation. When Our Lady of Fatima Retreat House first opened in 1950 as the archdiocesan women’s retreat facility, women looked forward to the opportunity to come away by themselves to rest in God. Many women in those years were at home full time and the retreat house offered a time away from their routines and an invitation to a much needed silence that allowed one to go deep within to be renewed by God’s grace.

Now as Fatima celebrates 60 years of “practicing the art of spiritual renewal” so much has changed. Fatima now serves men and women, and retreats are available for people of all ages from young teens through adulthood. Our programming used to be very focused on one style of retreat offered most every weekend throughout the year. Now there are a variety of retreat offerings serving people in many different life situations. We offer special retreats for the engaged, the married, the divorced, the grieving, those in recovery, student leaders, high school seniors, people seeking silence and those enhancing their experience of Lent. We offer mornings for moms, days of silence, days and evenings of recollections and date nights.

But we realize, too, that much has changed in society and in our communities. People’s lives are busier than they were sixty years ago. And people have so many more choices for their leisure time. Some have a “getaway place” of their own;

still others enjoy following the Colts; and the list of festivals, art shows, and other activities is endless. Yet Fatima stands in our midst to herald the ever present wisdom of the scriptures. We all need time away from our routines, time to break from the busyness of our lives. We need a place to be... with God.

So many come each year to Fatima, and as they leave they profess how glad they are that they took time for themselves and for God. They come with a question in their hearts or a hunger for something more than what the world can provide from its long list of alternatives. They come yearning for something more. And they discover that if they can turn off the phone, close the laptop, and step away from their routines, they can rediscover the gift that silence brings, the grace that prayer awakens, the peace that God offers.

We may have to work harder at finding the time now. We will have to choose this experience over many other options. When we do, we will find that coming here is its own reward. Now more than ever Fatima Retreat House and all that we offer is needed in a world that suffers from overextension, invites multitasking as the answer to too much to do, and has accepted technology’s intrusion into the whole of our lives. Choose a moment for yourself. Come to Fatima. Come to be... with God.

Come away by yourselves to a quiet place and rest awhile.

-Mark 6:31

HAPPENINGS AT OUR LADY OF FATIMA

Strategic Planning

Recently several of the staff and board members participated in a strategic planning process that was facilitated by Bob Bailey from the Service Corps of Retired Executives. Bob Miramonti and John Post from SCORE also assisted in the planning sessions. The process was very helpful in highlighting our strengths and in bringing about some consensus about actions we need to take to continue to broaden the ministry of Fatima and increase the support we enjoy from the larger community. Thanks to the SCORE representatives for the generous donation of their time and talent.

HVAC Replacement

Greg Schaub -former board member and owner of EM Co Inc. is working diligently with Eric Atkins of the Archdiocese and others working on a plan to replace all pipes for the heating and cooling system as well as the domestic water service. The total cost of the project is over \$400,000. \$250,000 towards the project is coming from money designated for Fatima from from the Archdiocesan Legacy for Our Misison Campaign. Their contribution will cover the cost of the pipes and a new boiler. Still left to do is a new chiller and controls for the system. Contributions are still being sought for this important project.

The new system will reduce energy costs and save us a great deal on what we have been paying for repairs each year.

Annual Fund

Thank you to the more than two hundred Fatima supporters who have responded positively to our request for a financial contribution to help us to close the gap between our income and expenses. Your generous response raised \$24,000 and donations are still coming in. Thank you!

New Staff

Marcia Johnson, one of the part time office assistants at Fatima has recently assumed an additional responsibility as registrar for all Fatima Programs. Marcia will be tracking all registrations. This is a major responsibility to keep the rest of the staff abreast of the numbers expected for various programs.

We also welcome three new part time office staff: Lisa Baute, Brenna Holland, and Rita Coe.

Weekday Mass at Fatima

Mass will once again be offered at Fatima on certain weekdays. Beginning in October we will offer Mass at 7:45 am on Wednesday and Thursday. Mass dates are subject to change. Please call or check our website for the most current Mass schedule.

The League of Volunteers

The League held a very successful evening in April wherein members were invited to renew their membership in the League. Four powerful and inspirational witness talks were given from the viewpoint of people who have experienced Fatima in different ways. Deacon Tom Ward who came here almost monthly as a deacon candidate, Ian Hackett who experienced the student leadership program, Nancy Lee who has been League President, board member, volunteer and retreatant, and Mary Jane Owens who is a long time retreatant and volunteer. The evening was a great affirmation of the 50 plus years of the League's service to Fatima and 66 renewed their membership in the League with 25 new members joining the League.

New Floors

Thanks to the generosity of the League a new tile floor was recently laid in the food service area of the dining room and in the men's and women's bathroom on the lower level. In addition, some of the other items we were able to purchase were outdoor maintenance equipment, dining room linens, and bed linens and towels. We are grateful for the continuing support of the League of Volunteers here at Fatima.

Credit Card Machine

The Fatima Bookstore& Gift Shop is now accepting credit cards for purchases. The addition of the service has really helped make the items in the bookstore more accessible to our retreatants.

Fatima's 60th Anniversary

In 1950, Fatima Retreat House opened its doors and now this fall we have the

joy of celebrating sixty years of retreat ministry through Our Lady of Fatima Retreat House. On October 23, 2010 at the northside K of C. Father Keith Hosey, long time director of John XXIII Retreat House and well known retreat master will be the keynote speaker for the the Gala. We hope you will be able to join us. Call for more information.

Missions helping Missions Bazaar & Family Picnic Day at Fatima

Once again this year a good time was had by many -people who stopped by Fatima on August 14th to support the many vendors who had a chosen charity they were supporting by the sale of their crafts and baked items. Several missions were represented from Uganda, Peru, El Salvador, and many other developing countries in addition to local charities such as IWIN Foundation and Our Lady of Lourdes Seniors in Action. Over \$220 in donations at the door was sent to The Lord's Pantry and Anna's House, two Indianapolis inner-city ministries started by Lucious Newsom.

Alongside of the bazaar was a wonderful meal prepared by our kitchen staff with the assistance of the Mattingly family from Good Shepherd Parish who roasted the hog over an open fire.

In Residence

Father Bill Munshower, chaplain of Cathedral High School who has also served at nearby parishes St. Thomas Aquinas and Holy Spirit lives here on the Fatima grounds. Father Bill is always happy to see his many friends who come and go from the Fatima events.

Summer Maintenance

Summertime always lends itself to some spring cleaning and sprucing up around the retreat house. Our maintenance and housekeeping staff members have been hard at work: detailing bedrooms, painting doors, mulching trails, cleaning out storage areas and more. Thanks to Karen, Mike, Greg, Sam and our maintenance volunteer, Walt Wheeler. Jan Townsend our very dedicated volunteer gardener and groundskeeper has kept our flower beds beautiful, even in the extreme heat this summer—not an easy task! We appreciate all of you

FATIMA VOLUNTEER LEAGUE

please see more updates on page 6

Our volunteer league has been busy over these last 6 months. They began working with a consultant on plans to revitalize the league with the goal of gaining new members in order to keep the league strong for the future.

The league continues to be a vital support to the retreat house not only through the sharing of time and talent but through raising funds for much needed updating and replacement of equipment. This past year the league has made possible the purchase of many items.

We are grateful for all the work that goes into raising funds so that we can make the experience here the best possible for our guests.

We invite anyone interested in learning more about the Fatima Retreat League to call or email volunteer coordinator Mary Lechtanski at the retreat house or league president Donna Ward at 823-2308.
