

A tax-friendly way to help families receive a Catholic education

Indiana’s Tax Credit Scholarship program was created in 2009 as a way to give families who meet income guidelines an opportunity to send their child to a participating private school. Through the generosity of Hoosiers like you, private donations are given as scholarships so students may attend a private school that may not have been an option to them otherwise.

Why donate?

Donors receive a state tax credit of 50% of their donation amount!

In addition to supporting Indiana students and giving them access to a high-quality education they may not have received otherwise, Indiana donors receive a state tax credit equal to 50% of their donation amount. Donations also qualify as a charitable deduction on federal tax returns.

Frequently Asked Questions

Is there a limit to how much I can give and still receive the tax credit?
No, provided the donation does not exceed the available credits under the cap. (The state has allocated \$18.5 million for fiscal year 2026 and resets annually on July 1).

Who receives the scholarships, and can I designate a school or a student to receive my gift? Indiana K-12 students who meet income eligibility guidelines and attend a participating school. You may designate your gift to a specific school, but not to a specific student.

Are gifts from a Donor Advised Fund eligible for the tax credit?
Yes, with certain conditions. The credit is available only to the original donor of the funds. Federal provisions may include a reduction in deductible charitable contributions and potential exposure to excise taxes.

Tax Credit Examples

This chart illustrates the potential tax savings for a donation to the Institute for Quality Education Scholarship Granting Organization.

Contribution of \$5,000	Federal Tax Brackets			
	25%	28%	33%	35%
Indiana Tax Savings (50%)	\$2,500	\$2,500	\$2,500	\$2,500
Federal Tax Savings (1)	\$625	\$700	\$825	\$875
Total State & Federal Tax Savings	\$3,125	\$3,200	\$3,325	\$3,375
True Cost of Donation	\$1,875	\$1,800	\$1,675	\$1,625

(1) The federal tax savings is generally equal to the net federal deduction multiplied by the donor’s federal tax rate. The net federal deduction is equal to the donation amount less the state tax credit as state income taxes are deductible as itemized deductions for federal income tax purposes. Actual federal tax savings will vary based on your individual income tax status. Please consult your tax advisor.

**The Institute for Quality Education
Scholarship Granting Organization**

The Institute for Quality Education (IQE) is the largest of six state-approved scholarship granting organizations (SGO) in Indiana. Since the beginning of this program, SGOs have awarded more than \$45 million in scholarships to nearly 35,000 Hoosier students, in partnership with nearly 300 private schools statewide. IQE donors are responsible for almost half of these donations.
