# Chaplaincies

Besides staffing parishes and schools in the archdiocese, the local Church has always recognized its responsibilities to care for the spiritual needs of those who avail themselves of other institutions located within the archdiocese, both those that are an integral part of the Church and those of the secular society. In particular, the archdiocese provides chaplains for Newman centers, hospitals, homes for the aged, and other public institutions. These chaplains are listed below:

## Newman Centers

In addition to the Catholic centers of higher education within the archdiocese (see the “Educational Institutions” section), there are 11 other universities or colleges, either public or private. Priests working in the Newman Apostolate care for the spiritual needs of the Catholic students and faculty members of those colleges.
