ARCHDIOCESE OF INDIANAPOLIS
SCHOOL INTERNAL CONTROL QUESTIONNAIRE

Parish:___________________________________________

Pastor/Administrator/PLC:___________________________________________

Person(s) who maintain accounting records:___________________________________________

On-site visit date:___________________________________________

Purpose:
The purpose of this questionnaire is to provide a basis for the consultant to gain an understanding of the control environment in the parish. The parish control environment is defined, in part, by the established policies and procedures relating to the parish’s financial activities. Policies and procedures will vary by parish because of differences in staffing, demographics, program activities and volunteer lay resources.

This questionnaire is designed to give the consultant a high level understanding of the parish control environment. The questionnaire is to be completed in advance of the consultant’s arrival at the parish. Once the consultant has reviewed the completed questionnaire, follow-up questions may be developed which will require further discussion on the first day of fieldwork.

Instructions:
Please answer each of the questions, identify the persons completing the questionnaire, and submit the completed questionnaire, signed by the pastor, to:

    CPA Firm
    Parish Internal Control Assessment
    Address
    City, State  Zip Code

These materials should be mailed to arrive no later than_______(two weeks prior to the scheduled on-site visit). Please retain one copy of the completed questionnaire for parish records.

Please also scan or fax a copy to the Archdiocese Office of Accounting Services at: accountingservices@archindy.org or 317-236-7327.

Suggestions
If you have any questions, problems, or suggestions relating to the Archdiocesan accounting procedures or controls that you would like to see addressed, please include these with your completed questionnaire.
