FEATURED THIS MONTH...

Reflection on the Solemnity of the Assumption of the Blessed Virgin Mary August 15, 2021

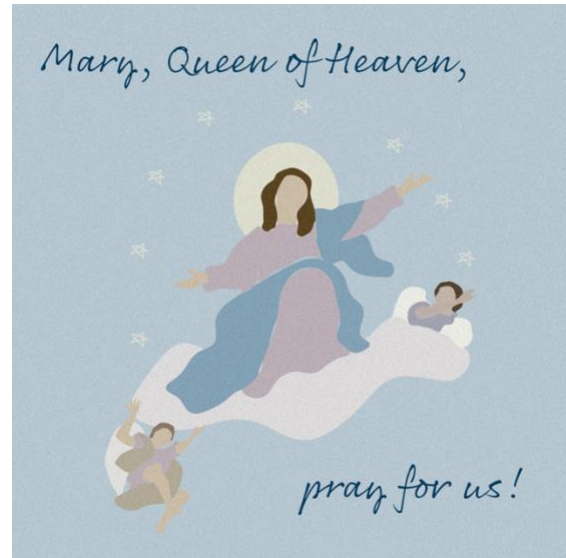

The Solemnity of the Assumption celebrates the Blessed Mother's entrance into heavenly glory. The *Catechism* explains that Mary "was taken up body and soul into the glory of heaven, where she already shares in the glory of her Son's Resurrection, anticipating the resurrection of all members of his Body" (CCC, 974).

Mary's Assumption into heaven reminds us that life on earth is a pilgrimage to our ultimate destination. We prepare in hope for our own passage into eternal life by the choices we make today. When we choose to love and follow God in our daily lives, we strengthen our relationship with Him, and this relationship is the true meaning of heaven: "To live in heaven is 'to be with Christ'" (CCC, 1025 citing St. Ambrose, *In Luc.*, 10, 121: PL 15 1834A.).

We can see how, throughout her life, the Blessed Mother continually chose to go deeper into her relationship with God. She modeled how to value and respect His precious gift of human life, from the moment of conception to its natural end. In the Annunciation, through her "yes," Mary witnessed to the undeniable humanity of unborn children as she conceived and carried the Christ child in her womb. After the Annunciation, having learned that her cousin Elizabeth was with child, she went in haste to her aid.

Our Blessed Mother shows us how the way we live today can prepare us, in hope, to also enter into heavenly glory at the end of our lives. Are we open to God's precious gift of new life? How do we support expectant mothers and parents of young children? Do we prioritize showing our love and care for loved ones who are ill or aging?

Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death. Amen.

PALABRA DE VIDA: AGOSTO DE 2021

Se recomiendan fechas, pero se pueden utilizar estos materiales en cualquier momento.

ESTE MES PRESENTAMOS...

Reflexión sobre la Solemnidad de la Asunción de la Santísima Virgen María, 15 de agosto de 2021

La Solemnidad de la Asunción celebra la entrada de la Santísima Virgen a la gloria celestial. El *Catecismo* explica que María “fue llevada en cuerpo y alma a la gloria del cielo, en donde ella participa ya en la gloria de la resurrección de su Hijo, anticipando la resurrección de todos los miembros de su cuerpo” (CIC, 974).

La Asunción de María al cielo nos recuerda que la vida en la tierra es una peregrinación a nuestro destino final. Nos preparamos con esperanza para pasar a la vida eterna mediante las decisiones que tomamos hoy. Cuando elegimos vivir y seguir a Dios en nuestra vida cotidiana, fortalecemos nuestra relación con Él, y esta relación es el verdadero sentido del cielo: “Vivir en el cielo es 'estar con Cristo’” (CIC, 1025 citando a San Ambrosio, *De Lc.*,10,121:PL 15 1834A.).

Podemos ver cómo, durante toda su vida, la Santísima Madre continuamente eligió profundizar su relación con Dios. Fue modelo de cómo valorar y respetar Su preciado don de la vida humana, desde el momento de la concepción a su muerte natural. En la Anunciación, mediante su “sí”, María fue testigo de la innegable humanidad de los niños por nacer al concebir y llevar al niño Jesús en su seno. Después de la Anunciación, al haberse enterado de que su prima Isabel estaba encinta, fue de prisa en su ayuda.

Nuestra Santísima Madre nos muestra cómo nuestra forma de vivir hoy nos puede preparar, en la esperanza, para entrar a la gloria celestial al final de nuestra vida. ¿Estamos abiertos al don preciado de Dios de nueva vida? ¿Cómo apoyamos a las madres embarazadas y a los padres de niños pequeños? ¿Priorizamos demostrar nuestro amor y cuidado a nuestros seres queridos enfermos o ancianos?

Santa María, Madre de Dios, ruega por nosotros, pecadores, ahora y en la hora de nuestra muerte. Amén.
