

Together, We Serve Babies and Their Parents

MOVING *the* MOVEMENT
— MIDWEST TOUR —

[I Can Donate Diapers](#)

Every year, an average of 130,094 babies die in the Midwest because of the tragedy of abortion.

Sometimes, numbers like this are incomprehensible and we don't truly take in the enormity of this loss.

That's why this year for the Indiana March the Life, we are collaborating with Chicago's Moving the Movement Tour to collect 130,094 diapers for pregnancy resource centers across the Midwest.

Together, we can make a concrete difference in the life of babies and their mothers.

You're invited to bring diapers of any size (we want to help babies throughout their first year) to **the Indiana March for Life on January 22.** Bring 1 pack or bring 3; each and every one will be a gift to those who receive it!

If you can't attend in person, there is an easy option to donate diapers online!

This is a simple, yet powerful, way to witness to the gift of life and to serve families who need our help. Join us!
