Every year, an average of 130,094 babies die in the Midwest because of the tragedy of abortion.

Sometimes, numbers like this are incomprehensible and we don't truly take in the enormity of this loss.

Bulletin Quotes

January 3rd

“Through the Incarnation and birth of Christ, God reveals to us the dignity of all human life. Human life, as a gift of God, is sacred and inviolable. The Son of God has united himself with every human being and desires for us to share eternal life with him... Each of us is made in the image and likeness of God, and we reflect his glory in the world.”

“When we encounter Christ, experience his love, and deepen our relationship with him, we become more aware of our own worth and that of others. His love for each person is cause for great joy, and growing understanding of this priceless treasure motivates us to share his love with others. Our lives are often changed by the witness of others; so too, others’ lives may be changed by our witness and authentic friendship with them.”

“There is such a wide spectrum of issues involving the protection of human life and the promotion of human dignity. Good people frequently disagree on which problems to address, which policies to adopt and how best to apply them. But for citizens and elected officials alike, the basic principle is simple: *We must begin with a commitment never to intentionally kill, or collude in the killing, of any innocent human life, no matter how broken, unformed, disabled or desperate that life may seem.* In other words, the choice of certain ways of acting is *always and radically incompatible* with the love of God and the dignity of the human person created in His image.”

“Many people know someone personally who is suffering because of an abortion. If a friend confided in you tomorrow that she had an abortion, would you be able to respond in a way that brings her closer to healing? ... Even a woman who doesn’t go to church or think of herself as religious can be afraid that God will never forgive her for having an abortion. She should know that God loves and forgives those who are sorrowful. He wants to comfort them and give them his peace.

La gente bien intencionada, con frecuencia, no está de acuerdo con los problemas que hay que resolver, cuáles normas se deben adoptar y la mejor manera de aplicarlas. Tanto para los ciudadanos como para las autoridades elegidas, el principio básico es simple: *Debemos empezar con el compromiso de nunca matar intencionalmente, ni participar en la matanza de cualquier vida humana inocente, no importa lo defectuosa, mal formada, minusválida o desesperada que parezca.* En otras palabras, la opción de cierta manera de actuar es *siempre y radicalmente incompatible* con el amor de Dios y la dignidad de la persona creada a Su imagen."

You Are Not Alone

*Do not fear,
for I am with you,
do not be afraid,
for I am your God;
I will strengthen you,
I will help you,
I will uphold you
with my victorious
right hand.*

Isaiah 41:10
