Mother's Day...

is a wonderful opportunity to highlight the beautiful **vocation of motherhood** and the gift of life. It calls us to cherish the gift of life that we receive from our mothers and to pray for all women to whom God has entrusted life in a very special way. As we pray in thanksgiving for the gift of all mothers, we also specifically remember mothers experiencing difficult pregnancies and pray they may find support and encouragement in choosing life for their children.

Birthline is one of the resources mom's in central and southern Indiana that moms can find support for items they need for their infants and children. Please join us by praying the Prayer for Pregnant Mothers during the month of May.

“Everyone is in need of reassurance, and if we, who have touched ‘the Word of life’ (1 Jn 1:1) do not give it, who will? How beautiful it is to be Christians who offer consolation, who bear the burdens of others and who offer encouragement: messengers of life in a time of death!”

“The Lord says to us, ‘Do not fear: I am with you’ (Isaiah 41:10). He speaks these words not as one who merely observes our pain, but as one who experienced immense suffering. And the very wounds that bear witness to his suffering indicate the essence of our identity and worth: we are loved by God. Reflecting on the healed wounds of the Risen Christ, we see that even our most difficult trials can be the place where God manifests his victory. He makes all things beautiful. He makes all things new.”

“In modern times, children in their mothers’ wombs and those approaching the end of their lives are certainly among the ‘least of these’ in our world’s estimation. Practices such as abortion and assisted suicide tragically reject the truth that human life is always to be cherished and defended with loving concern. ... Through the intercession of Our Lady of Guadalupe, may Our Lord grant us the grace to truly and courageously live his Gospel of life.”
