Dear Friend in Christ,

I love the Advent and Christmas season! The anticipation of Baby Jesus, the hope of what is to come, the spirit of giving, the prayers of the season, the excitement and joy within a child’s eyes, I could go on and on... but what has resonated the most for me this Advent Season is the **Beauty of Gratitude**.

I recently came across a video on social media that has been circulating since last year. It was produced by a church in North Carolina where a man wakes up and realizes all that he has to be grateful for. Each item is wrapped as a gift. It is a quirky video that makes you smile, but you can't ignore the deeper message... Gratefulness for the everyday people and items that we may...sometimes... take for granted. If you want to check out the video, click [Here](http://example.com).

If you have ever had the opportunity to volunteer for one of the many ministries that make up Catholic Charities, you most likely have witnessed the Beauty of Gratitude. You know what I mean… it’s that humbling gratitude that you see in a person’s face or hear in their voice when they say thank-you, and you can tell it comes from the depth of their soul.

Within Catholic Charities, we hear these types of thank-you’s when people realize they will have food on their table, or new clothes on their back. When a person has found shelter or is welcomed into a our country after a long journey here. And more recently, it is the thank-you we hear when a family is able to shop for Christmas gifts so their children will experience the joy of opening new items on Christmas day.

But, I have a small confession… I am sometimes guilty of taking the thank-you’s offered, along with my everyday blessings for granted. It is through the simple gratefulness of our neighbors who come to Catholic Charities in their time of need, that I am humbled to remember the Beauty of Gratitude.

For the December edition of the Catholic Charities - Social Concerns E-Newsletter, I wanted to focus on a couple ministries where just the simple giving of ourselves, whether through prayer, material goods or financially, involves a gratitude that can be life-changing for the receiver and perhaps the giver as well.
So, this Advent and Christmas Season, I want to say THANK-YOU to each one of you. Thank-you for the love, prayers and the giving of yourself that you do each day for your loved ones and for strangers. Thank you for not only loving your neighbor, but for being a good neighbor. Thank-you for your support to Catholic Charities and the ministries that make up Social Concerns. It is through the giving of yourselves that has made me come to see the incredible Beauty of Gratitude.

Have a Blessed Advent Season and Merry Christmas!

Sincerely in Christ,

Theresa Chamblee

Catholic Charities & Catholic Relief Services
Disaster Relief

During this holiday season, so many of our neighbors in the United States and in many countries around the world are still coping with the realities of their "New Normal".

You may wonder... "What do you mean by New Normal?"

One of the realities that so many face when they experience a natural disaster, such as a hurricane, flooding, a wild fire, or an earthquake, is the reality that their life will not be the same as it was before the disaster hit. They may have lost every material possession, or worse, a loved one. For so many who find themselves in this situation, it can take years to rebuild a semblance of what was.

One of the many services that Catholic Charities (domestically) and Catholic Relief Services (internationally) offers to those whose lives are forever changed is material, financial, and emotional counseling to survivors as they adjust to their "New Normal."

If you would like to financially assist those whose lives are forever changed,
Your support helps people through the immediate aftermath and continues helping them as they work through the long process of recovery. 100% of funds raised are forwarded to Catholic Charities agencies that serve affected communities. Thank you.

Yemen Relief, & Indonesia Earthquake & Tsunami

YEMEN RELIEF: The poorest country in the Middle East is devastated by war, hunger and a cholera crisis. Now heavy fighting has broken out in Hodeida—one of the main ports of entry for humanitarian supplies —, displacing families and cutting off access to clean water.

Conflict and a lack of aid has triggered a humanitarian disaster, leaving 70 percent of the population in need of assistance and children facing acute malnutrition. Hunger is on the rise, and basic services like education, water, health and sanitation have deteriorated.

These conditions have triggered an unprecedented cholera outbreak in Yemen. As of February 2018, more than 1 million cholera cases were reported, and
9.6 million children are at risk.

When you donate to Yemen relief, CRS will assist with the humanitarian response in Yemen. In Hodeida, where fighting is heaviest, CRS local partners are providing critical food and living supplies to families.

Your gifts will provide medication and treatment, improvements to hygiene and sanitation, and lifesaving nutrition for children.

**Advent Prayer**

**Prayer for Family Commitment**

Dear God our Father, you have called all Christian families to be a sign of your love to the world.

Help us to be generous with the gifts of life and love that you have showered on our family. May we share them so that our homes become true signs of unitive and fruitful love.

Let us never forget to thank you each day for all that sustains us and to look to Christ, who comes to us in the
In all of this, our family becomes a living expression of your Church, a hallowed home of life and love. By the power of the Holy Spirit, may all of us—spouses, parents, and children—share, as members of his Body, in Jesus’ mission to build a civilization of love. Father, we ask this in Jesus’ name in union with the Holy Spirit. Amen.
