Hello!

Welcome to the new Social Concerns Newsletter - the newest resource from Catholic Charities!

You know the old saying, "If you have seen one parish, Then you have seen one parish." I know each parish has its own dynamic that makes it special and unique. But one of the core foundations I have found in each of the parishes within the Archdiocese is that all of them have a heart for loving their neighbor. But what that looks like for each parish, well, that can be tricky to answer.

With that in mind, the creation of the newest Archdiocesan ministry called Catholic Charities - Social Concerns has two main purposes;

1) To communicate the many USCCB, Catholic Charities USA and Archdiocesan resources that are available.

2) To be a support for parishes and schools as we all strive to live out the Gospel we proclaim, and to grow in love with God and neighbor.

Below is a brief synopsis of what you will find in each monthly Catholic Charities - Social Concerns Newsletter, but first let us start with a little background on the "why" behind the newsletter.

**What is Catholic Charities - Social Concerns?**

Social Concerns, the newest Catholic Charities Ministry, encourages the Community to grow in a deeper understanding of Catholic Social Teaching by providing resources and strategies for effective action in parishes, schools and surrounding communities. Most importantly, it calls us to a deeper understanding in living out the Two Greatest Commandments, - to Love God and to Love our Neighbors, - both locally and globally.

The following USCCB and Catholic Charities ministries fall under Social Concerns; Parish Social Ministry, Catholic Relief Services, Catholic Campaign for Human Development, and Justice for Immigrants.

**How is the Social Concerns Newsletter different from all the other newsletters I receive?**

Since the Social Concerns ministry is new to the Archdiocese, then much of the news and resources that fall under Social Concerns may be new to you too. This newsletter is a way to connect the dots of social ministry.

**How often does the newsletter come out?**

Monthly, unless there is an urgent Action Item
What am I expected to see in each newsletter?

Each month, one of the ministries that fall under Social Concerns will be highlighted, as well as a Resource of the Month, and any upcoming events. Most importantly, my hope is that the newsletter will act as a way for all of us to stay connected around the important work of seeing the face of Christ in all those we serve while they in turn are the face of Christ to us!

Sincerely in Christ,

Parish Social Ministry (PSM) is the action that the faith community takes to live out the Gospel we proclaim and to grow in love with God and neighbor.

By working along side parishes, PSM aims to foster greater outreach and advocacy efforts, to educate parishioners to serve those who are poor and vulnerable, and to provide opportunities for spiritual growth.
